

# WR 870 BATTERY • WR 870 BATTERY PRO

Ready whenever you are.

**WR 870 Battery**

Sweeping flush to the wall: Gets into the edges and sweeps each corner thoroughly.

**WR 870 Battery PRO**

Cleans even uneven, difficult surfaces skilful and convincing.

Ideal for indoor cleaning due to low-dust sweeping and the low noise level.

Well prepared for every season, even snow is removed in no time.

## HIGHLIGHT

The almost noiseless and emission-free operation makes it possible: For outdoor or indoor work near dreadful animals or for cleaning in rooms or halls these sweepers are perfect.
